# About CEC

- The Commonwealth Entrepreneurs Club (CEC) is an international network of hundreds of experts in business and government with the aim of driving economic and social outcomes through collaboration to create jobs and alleviate poverty. We work with decision-makers in countries (Africa, Asia, the Commonwealth and the EU) that require infrastructure development, investment opportunities and business growth, including Small and Medium Enterprise.
- We work with countries' federations and chambers of commerce, NGOs, multinationals and financial institutions to drive our Ten Social Enterprise goals.
- We build sustainable international private sector and government partnerships for:
  - Capital Access with Financial Institutions and Venture Capital
  - International Distribution & Sales
  - Innovation & Technology
  - SME Growth for Job Creation to Alleviate Poverty
- Project & Industry Expertise in:
  - Agriculture, Infrastructure, Energy, Manufacturing, Education, Property.

Vision

Israel  
2030  
Vision

►The vision of SMEs in the coming decade, is to transform from an underdeveloped continent to one of advancement, consisting of happy people who are self employed and can employ others. We essentially believe that SMEs contribute enormously to the economic development of any nation, hence our focus to create small and medium enterprises to take on industrial developmental activities as well as train people to become entrepreneurs to contribute to national growth

# Mission

CEC  
2030  
Vision

Israel  
2030  
Vision

Our mission is to create channels, through which people of the society will become self-sufficient and independent entrepreneurs and become sources for further employment and wealth creation; thereby reducing poverty, unemployment, and overdependence on government.

We strive for efficiency, effectiveness, and meaningful results by continually seeking to increase social development impact.

It is pertinent to state that we are honest, transparent, accountable, and maintain a high ethical and moral standard in all that we do.
